Federally Assisted Homes Set to Expire in the Next Five Years
2,509

Federally Assisted Homes Preserved in 2025
0

Average Age of Federally Assisted Homes
31

What is exit risk?

Exit risk is the potential for affordability or eligibility restrictions to expire or be terminated. This leads to the loss of homes from the nation's affordable housing stock. Data-driven insights can help us understand the threat of exit risk in order to preserve affordable homes across the country.
